Chairman Addresses

Power Scene publication of this unit has been restarted after a long time. The sincere effort of our unit secretary Er Muhammed Rafi in this regard is highly appreciable

The Family meet of our unit conducted on 05-10-2011 at Govt Guest House, Varkkula was a grand success. 170 family members from 60 families were attended the meet. I would like to extend my gratitude to all members including the family members who participated in the meet almost all the family members actively involved in all the activities of the meet including cultural event, sports and games item. I congratulate all the members who won in the competitions of various events in the meet.

The performance of our unit can be improved further with wholehearted cooperation of all the members. I request all members particularly the servicing members to contribute their earnest effort and actively participate in all the activities of the unit.

A Rajendran,
Unit Chairman

Paper Presentation on 'Smart Meter'

A technical session was presented by Er. J. Sudhakran Nair (Former General Secretary, K S E B E A) on 'Smart Meter' at the unit meeting on 3rd October, 2011.

2S2E MCE PROJECT. 2011

The registration started for the programme organized by the CEEBA a forum of KSEBEA for the engineering students in the state for the energy conservation with environment protection.

The program was launched in Kozhikkode and inaugurated by Sri. M K Raghavan M P at the function conducted at AWH Engineering College, Kozhikkode.

No. of entries had registered to the programme from different engineering colleges from all districts. The date proposed to submit the abstract is on 15th Dec.2011. The final Award Presentation will be on 15th Sep 2012. with Engineer's day celebration. In this programme, students of engineering colleges in the state can participate with their entries and each team should submit a project on the topic "conservation of energy with environmental protection". Cash award and moments will be given to the winning team on state level. The student can submit the same project which may be one for the part of their course, if its subject is for energy conservation. The association will give the technical guidance for such project.

Family Meet – 2011

The family meet of TVM Unit was conducted on 5th October 2011 at Govt. Guest House Varkala.

The meet was inaugurated by Hon. Member for transmission and Generation (Operation), Er Muhammed Ali Rawther. He joined the meet with family and participated in the games up to the last moment of the meet.

Er Muhammed Shereef, (President, EA) Er Aji Kumar (Former President), Er. Jayakumai K K, Er. A. Rajendran were spoked on the inaugural function. After the inaugural function, various cultural programmes by the family members were conducted and after the launch members participated in games. Around 170 family members were participated in the meet.
